Mr. Head,

Wanted to touch base again to see if there are any times later this week that would work for your team to set up a follow-up Consultation call?

Thank you,

Mr. Head,

Thank you for your quick response. We would like to set up another call next week if that works. If you could give me a few dates/times that would work for your team I will coordinate with everyone here to get a meeting set up. I will be away from the office tomorrow so I've copied my supervisor, Rosemary Calli, to ensure our response isn't delayed.

Thank you,
